Chief Laforet,

We have confirmed from Acting Inspector Wendy Burrow of the OPP that all municipal and commercial resources have been exhausted in Windsor and Essex County by the Ministry of Transportation (MTO).

1. Inspector Burrow has secured from MTO 69-70 truckloads of jersey barriers which are located in London, ON – they will need to be transported from London, ON to Windsor, ON.
 - a. MTO is supplying 12 trucks for use of transport. We require 12 drivers to drive the trucks (_Z license required)
 - b. We require __ excavators with __ drivers (__ license required)
2. If these requests cannot be met, we will require heavy equipment/large vehicles for blocking (ex. School buses, snow plows, etc.
 - a. Enough heavy equipment/large vehicles to use as barriers for 6.4 km's
